How to Use this Journal

Prayerfully use this journal, along with your Bible and a blank notebook, to help you in your spiritual growth for a year. Use the notebook to write insights that God gives you as you study and pray daily. This journal can be used to help encourage you as you chart your journey of **Connecting** ~ **Growing** ~ **Serving** during the year.

At the end of the year use it to celebrate how God has helped you grow through worship, study and service. It may also be used to show you areas you need to address in the following year.
